# Voice to text 语音转文字

The image shows two side-by-side screenshots of an iPhone's on-screen keyboard. Both screens display the text "Good morning" above the keyboard. In the first screenshot, the microphone icon on the keyboard is highlighted with a yellow box, indicating it is active for voice input. In the second screenshot, the microphone icon is also highlighted with a yellow box, showing the progression of the transcription process.

# Manage notifications 管理通知

The image displays three screenshots of the Meta app's notification settings across different sections:

- Chats Screen:** Shows a search bar with "Ask Meta AI or search" and a "Archived" section. At the bottom, there are five navigation icons: Updates, Calls, Communities, Chats (with a green badge showing 1), and Settings.
- Settings Screen:** Shows a search bar with "Search". Below it is a list of settings categories: Avatar, Broadcast lists, Starred messages, Linked devices, Account, Privacy, Chats (with a green badge showing 2), Notifications (highlighted with a red box), and Storage and data.
- Notifications Screen:** Shows a list of notification types under three main sections: MESSAGE NOTIFICATIONS, GROUP NOTIFICATIONS, and In-app notifications. Each section has toggle switches for "Show notifications", "Sound", and "Reaction notifications". A "Show preview" switch is also present at the bottom.

# Manage privacy 更新隐私

The screenshot shows the 'Settings' screen with the 'Privacy' option highlighted (step 1). The 'Privacy' screen is then displayed, showing various privacy settings like 'Last Seen & Online', 'Profile Photo', 'About', 'Groups', 'Status', 'Live Location', 'Calls', 'Blocked', and 'DISAPPEARING MESSAGES'. The 'Read Receipts' toggle switch is shown at the bottom right of the Privacy screen.

# COMMUNITY

Change photo

Community name

0/100

Hi everyone! This community is for members to chat in topic-based groups and get important announcements.

Other groups added to the community will appear here. Community members can join these groups.

3

4 + Add group

This section shows the setup for a new community. It includes a placeholder for a community photo, a text input for the community name (with a character count of 0/100), and a message from the community administrator. A note at the bottom indicates that other groups added to the community will be listed here, and community members can join them. At the bottom, there are two numbered steps: step 3 and step 4, which includes an "Add group" button.

Introducing events  
Create and manage events within your community. [Learn more](#)

Announcements  
Welcome to your community!

Groups you're in

General  
Welcome to the group: General

12:14

12:14

This section displays introductory messages about events and announcements. It also lists the groups the user is part of, specifically the "General" group, with a welcome message. The time "12:14" appears twice.

# COMMUNITY

The image displays three screenshots of a mobile application interface for creating a new community, set against a background with abstract shapes and icons.

**Screenshot 1: Communities Screen**  
The screen shows a list of communities. At the top is a button labeled "New community". Below it is a card for a community named "404R Hcl". The bottom navigation bar includes icons for Updates, Calls, Communities (highlighted), Chats, and Settings.

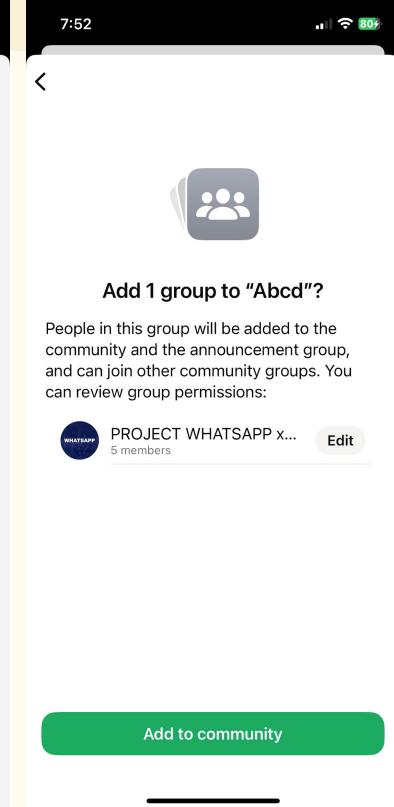

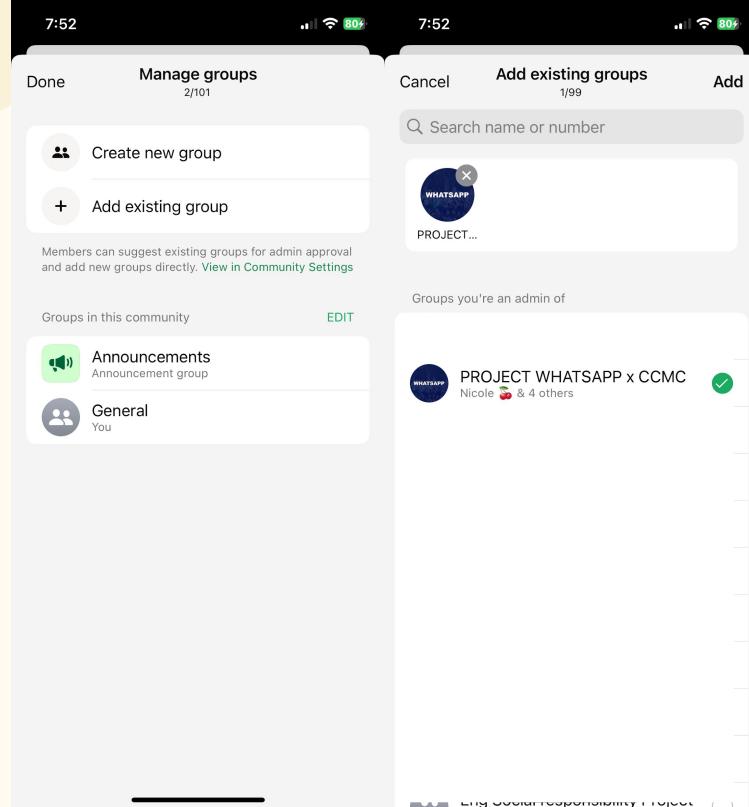

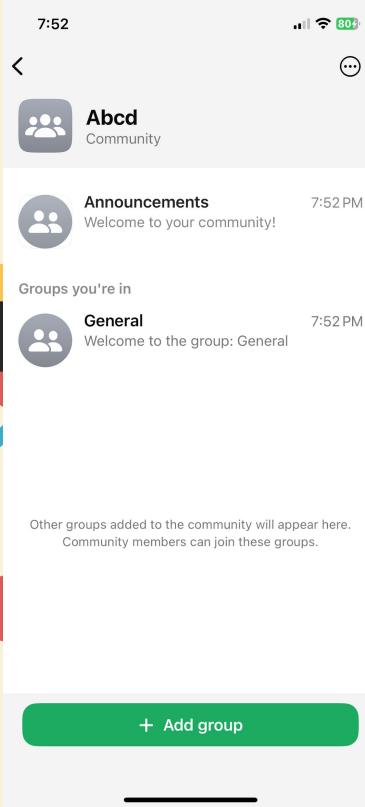

**Screenshot 2: Create a new community Screen**  
This screen provides instructions to "Bring together a neighborhood, school or more. Create topic-based groups for members, and easily send them admin announcements." It features a "Get started" button at the bottom.

**Screenshot 3: New community Creation Screen**  
This screen allows users to add a photo to their community profile. A text input field contains the placeholder "Abcd" with a character count of 96. A message box says "Hi everyone! This community is for members to chat in topic-based groups". A green "Create community" button is at the bottom, and a keyboard is visible at the bottom right.
