Manage privacy

The screenshot shows the Apple Settings app on an iPhone. The top navigation bar displays the time (3:07), signal strength, and battery level (43%). The main title is "Settings". Below it is a list of sections:

- Avatar
- Broadcast lists
- Starred messages
- Linked devices
- Account
- Privacy** (highlighted with a red box and the number 2)
- Chats
- Notifications
- Storage and data
- Help
- Tell a friend

The "Privacy" section is expanded, showing the following options:

- Last Seen & Online: My Contacts >
- Profile Photo: My Contacts >
- About: My Contacts >
- Groups: 4 Excluded >
- Status: 20 Excluded >
- Live Location: None > (with a note: "List of chats where you are sharing your live location.")
- Calls
- Blocked: 19 contacts > (with a note: "List of contacts you have blocked.")
- DISAPPEARING MESSAGES
- Default Message Timer: Off > (with a note: "Start new chats with disappearing messages set to your timer.")
- Read Receipts: A switch is turned on, indicated by a green circle with a white checkmark.

At the bottom of the screen are several icons: Updates, Calls, Communities, Chats (with a notification badge '1'), and Settings.

Message information

Message information

The image shows a composite of several WhatsApp screenshots and a cartoon character on the left.

Top Left Screenshot: A message screen with a yellow header bar containing icons for back, forward, star, delete, and more. The date is 21 May 2020. A message from "Today" says "hello! 11:11 ✓". Below the message is another message starting with "Chilling...". A context menu is open over the second message, showing options: Info, Copy, and Pin. The "Info" option is highlighted.

Top Right Screenshot: A "Message info" screen for a group chat named "girls". The timestamp is 20:37. A checkmark icon is visible.

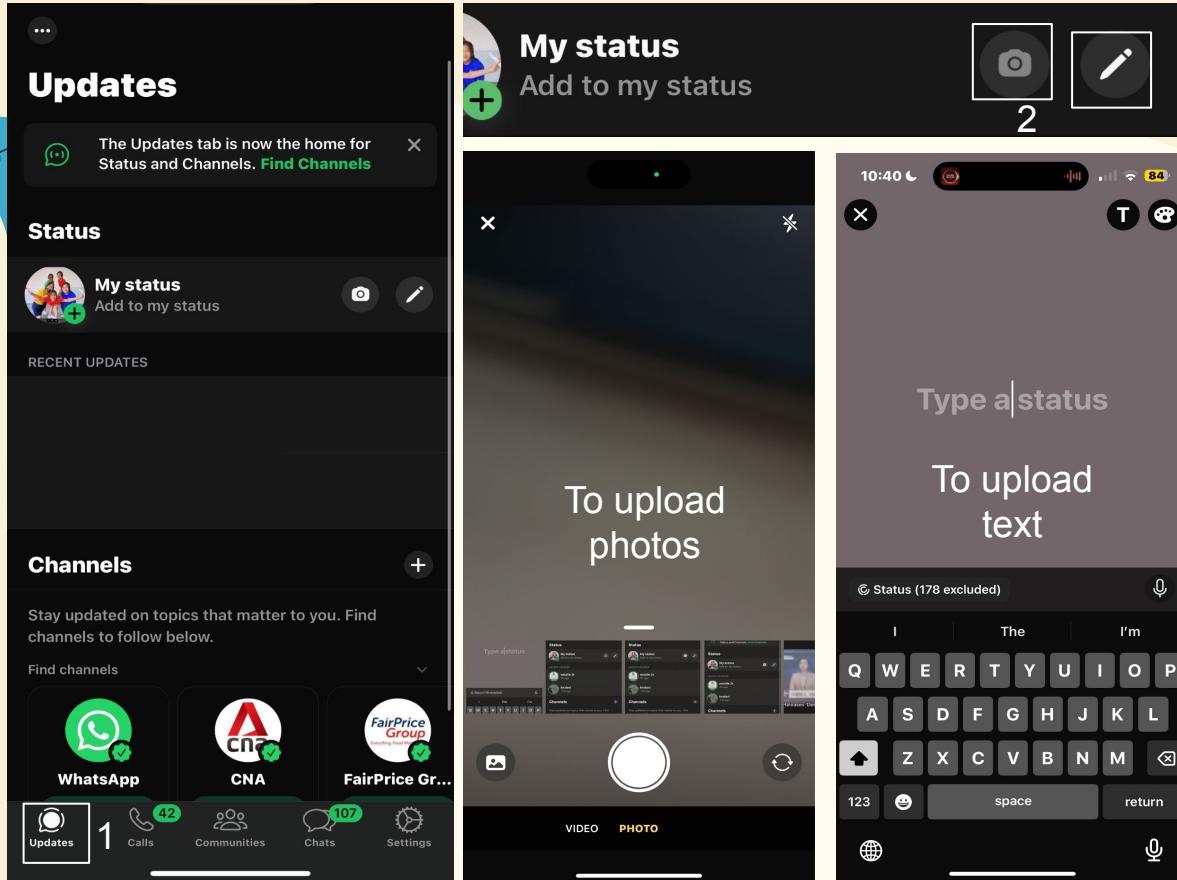

Bottom Right Text: "Back to content page" with a blue underline.

Cartoon Character: A yellow cartoon character with a speech bubble, a blue speech bubble, and a red speech bubble with wavy lines. A blue line connects the character to the first WhatsApp message screen.
